2022 Asian English Usage Contest (Arch Cup) Elimination Invitation letter

6th January, 2022

Over the years, thanks to the full support of schools and parents, the English language competition organized by us has been very successful. Since its establishment, the Association has been promoting English as a language of communication for people in Asian countries or regions. As such, we will be organizing the " Asian English Usage Contest – Elimination " from January 8 to February 9, 2022, with all judges being university professors or professionals, so that students from different backgrounds can have the opportunity to share their knowledge of English on their way to learning. We sincerely invite all primary and secondary school students in Hong Kong to participate in the competition. Details are explained in the attachment on the back page.

The qualified participant will be eligible to participate in the Asian English Usage Competition (Heat Event) to be held in Hong Kong on Sunday, February 27, 2022. After that, the winning students will be recommended to participate in the Asian English Usage Competition (Final) to win glory for their schools and parents. It is also a good opportunity for students to test themselves, broaden their horizons and improve their English skills.

The competition aims to enhance the English language skills of Hong Kong's young students, foster a world view and global perspective, expand the field of youth knowledge, enhance interpersonal interaction and build a sound language foundation towards internationalization. We would be most grateful if your school and parents can support these meaningful academic activities.

Please find enclosed the details of the competition, please note that the Elimination round is conducted online, and the results will be announced immediately. If the participant passes the Elimination round, he/she can register directly for the Heat round (the deadline for registration is on February 9, 2022) and view the details online. In addition, sample test questions for the Heat round contest can be downloaded from our website www.eaa.edu.hk. If you have any enquiries, please call: (852) 2493 7971 or email to eea.edu.hk@gmail.com.

Yours faithfully,
